

# Steel Fabricator/Finisher/Polisher

## General

Date: July 7, 2021

Job Type: Full-time

Location: Brooklyn, NY (on site required)

Salary: \$15 - \$25 / hour

## Basic Qualifications

- 5+ years experience in metal fabrication, welding, finishing, and/or finishing
- Ability to work in the shop location 5 days per week (Monday-Friday) for 8 hour shifts

## Overview

AWL Industries, Inc. is a family-owned business formed in 1979. We are looking for an experienced (5+ years) stainless steel polisher and metal fabricator. Our shop and office is located in Greenpoint, Brooklyn. We focus mostly on the manufacturing of heavy restaurant equipment, HVAC, and construction work. We are looking for a full time employee and offer a benefits package with medical insurance, paid vacation, sick days, and more. Much of the work done here is one of a kind. As such, we require someone who can think and analyze the situation at hand to come up with best courses of action. Learn more about us at [www.awlindustries.com](http://www.awlindustries.com).

## Duties and Responsibilities

1. Correctly read, interpret, and work off of sketches, blueprints, completed assemblies and oral instructions
2. Restore stainless steels to a #4 finish
3. Fabricate components by using equipment to clean, drill, tap, and spot weld pieces; setting-up and measuring assemblies. This includes operating powered/automated hand tools, band saws, iron workers, drill presses, and basic measurement tools
4. Basic maintenance and repairs of tools and machinery
5. Plan and prioritize activities
6. Maintain safe work environment
7. Performance of above duties with minimal supervision
8. Demonstrate ability to visually self-inspect work for any defects with limited guidance
9. Reports problems with quality, processes, equipment and materials to Production Supervisor

## Requirements

1. Attention to detail
2. Excellent hand dexterity, eye sight and hand eye coordination
3. Able to work required hours and dependable work attendance. Includes occasional weekend/OT work.

4. Able to occasionally lift heavy items weighing in excess of 50 lbs
5. Able to perform a variety of movements in order to get in an ideal position to complete tasks
6. Work effectively in a team environment
7. Having 5+ years of stainless steel polishing/fabrication experience is a plus. We are willing to train motivated candidates with positive attitudes and an eagerness to learn.

Interested applicants should send an email to [jobs@awlindustries.com](mailto:jobs@awlindustries.com) or may apply in person at 460 Morgan Ave, Brooklyn NY 11222. In the subject line of the email, please write "Finisher/Polisher". Our compensation is commensurate with education and experience, and we provide a competitive benefits package (e.g., health, dental, time off, 401(k) matching, waiting period applies).

This job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee. Duties, responsibilities and activities may change or new ones may be assigned at any time with or without notice.

*AWL is an equal opportunity employer. All applicants will be considered for employment without attention to race, color, religion, sex, sexual orientation, gender identity, national origin, veteran or disability status.*
